Ask the *Experts*

“ With a library you are free, not confined by temporary political climates. It is the most democratic of institutions because no one – but no one at all – can tell you what to read and when and how.

–Doris Lessing

Bad libraries build collections, good libraries build services, great libraries build communities.

–R. David Lankes

Libraries will get you through times of no money better than money will get you through times of no libraries.

–Anne Herbert

Libraries are our friends, and libraries need Friends like you to build community, garner support and promote literacy.
